Roulunds RE-X raw-edge Vee belts

Roulunds RE-X raw-edge Vee belts are length consistent. They require no matching for multiple belt drives, and are available in sections XPZ to XPC and ZX to CX. We have a raw edge belt in (nearly) every size. Call us now! We can design your V-belt drive for you, using the Roulunds Belt Designer program.

THIS MONTH'S SPECIAL OFFER: Receive

40% Discount

on 10 or more belts when you order and quote the word "Vbelt". (Not additional to existing customer discounts.)

In 2006, ContiTech, a subsidiary of Continental AG of Germany, acquired Roulunds Rubber Group for its superior rubber technology. This technology is now available in all ContiTech / Roulunds belts. Our belts are manufactured to the stringent European standards in the Hanover plant, along with our H, L & XL series timing belts.

Roulunds Poly V and Mower Belts, whether you are harvesting a heavy crop or mowing the lawn at home, Roulunds offer a belt that is designed for your application.
